THE COLLECTION

The CRAFTORA collection

A considered range for bedrooms, living rooms, storage, dining and work.

Every category is available as a coordinated set or as a made-to-measure piece.

Bedrooms designed to feel personal

Quietly tailored furniture that gives the bedroom its own character, scale and rhythm.

Sleep, made personal

King-size, master, queen-size and custom-size beds.

Crafted around the room

Upholstered and wooden beds, including storage beds.

The full bedroom set

Bedside tables, dressing tables, mirrors, headboards and made-to-measure furniture.

Available as a coordinated set or as a made-to-measure piece

Living rooms with a point of view

Statement seating and considered pieces that bring comfort, proportion and personality together.

Seating with presence

Modern and luxury designer sofas for the room's central moment.

Find the right form

L-shaped, sectional, two-seater and three-seater sofas.

Complete the composition

Accent chairs, sofa-cum-beds, centre tables, side tables and TV units.

Available as a coordinated set or as a made-to-measure piece

03 / STORAGE

Wardrobes for effortless storage

Storage is planned around dimensions, routines and available space, so the room stays clear and considered.

Choose the opening

Wooden, sliding-door and hinged-door wardrobes.

Use every dimension

Built-in and walk-in wardrobe solutions for available space.

Storage that works daily

Custom-sized almiras, storage cabinets and organisers.

Available as a coordinated set or as a made-to-measure piece

Tables and storage for everyday life

Useful pieces, resolved with the same attention to proportion, finish and the way a room is actually used.

Gather around it

Dining tables and complete dining sets.

Layer the room

Coffee, centre, side and console tables.

Keep life in order

Study tables, office desks, storage cabinets, bookshelves and display units.

Available as a coordinated set or as a made-to-measure piece

Workspaces built for focus

Furniture that gives commercial environments a clear structure, from the first welcome to the final meeting.

Lead from the desk

Executive office tables and workstations.

Meet with clarity

Conference tables and meeting-room furniture.

Make the first impression

Reception desks, office seating and storage cabinets for organised commercial environments.

Available as a coordinated set or as a made-to-measure piece

HOW WE WORK

Our process, step by step

A clear, direct process, whether it is one piece or an entire project.

01

Consult

Share your space, needs, style and budget with us directly.

02

Design

Layouts, dimensions and materials are agreed before work begins.

03

Select

Pick your finish, upholstery and hardware from our options.

04

Craft

Your furniture is made to your measurements.

05

Deliver

Delivery and fitting, so the room is ready to use.

WHO WE SERVE

Built for homes, offices and hotels

The same craft and finish, scaled to the size of your project.

RESIDENTIAL

Homes that feel personal

Bedrooms, living rooms, wardrobes and dining, made to suit the way you live.

COMMERCIAL

Offices with structure

Executive desks, conference tables, reception counters and storage.

HOSPITALITY

Hotels with one language

Coordinated furniture for hotel spaces, delivered for 5 hotels so far.

THE BIGGER PICTURE

From one room to a complete interior

Residential, commercial and hospitality spaces, brought together with one clear design language.
